

Alentus Customer Showcase

Celebrating our 10th Anniversary in 2007!

With thousands of customers in more than 100 countries, Alentus hosts Web applications and provides dedicated Internet services for a wide variety of organizations. From Internet start-ups to Fortune 500 companies, we are relied upon day in and day out to provide millions of users with Web sites that work, email that gets delivered and network connectivity that never fails. Below is a listing of some of our more notable customers.

"I have never experienced such quick response from a web hosting service, although you guys are a lot more than just that! Keep up the excellent work, the added fees are worth it as professional and dedication is an added bonus!"
